**DECISION**

**BACKGROUND**

Residents of Windmill Street has requested consideration to reallocate parking outside the office building to allow taxis to safely pick-up and drop-off passengers.

**COMMENTS**

The kerb space on the northern side of Windmill Street, east of Kent Street is currently signposted as “4P Ticket 8am-10pm Permit Holder Excepted Area 16”.

To improve safety by preventing taxis from double-parking and unsafely stopping near the raised marked pedestrian crossing, it is proposed to reallocate five car spaces outside the office building as “Taxi Zone 8am-6pm” and “4P Ticket 6pm-10pm Permit Holders Excepted Area 16”.

The proposed parking change will allow taxis to safely pick-up and drop-off passengers during business hours and maintain 4P ticket permit parking in the evenings.

The City, in conjunction with the Taxi Council, will review the effectiveness of the Taxi Zone in Windmill Street six months after implementation.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 95 letters sent out with no responses supporting or opposing the proposal. The proposal has been consulted and is supported by the NSW Taxi Council.

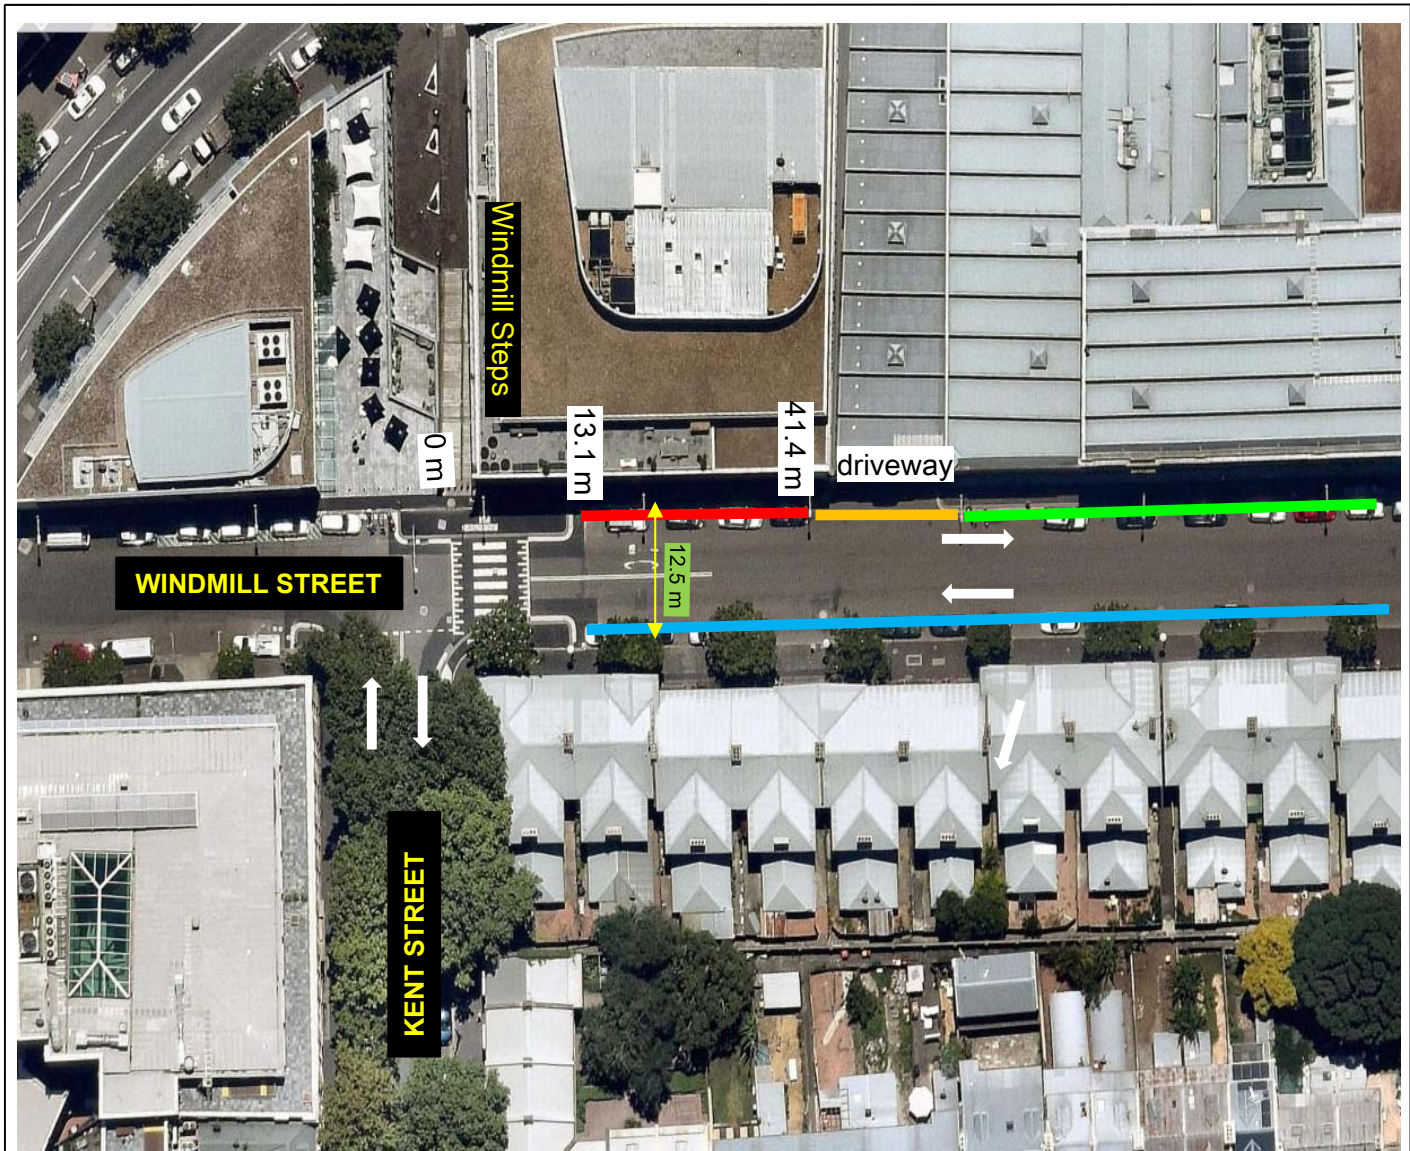

**FINANCIAL**

Funds are available in the current budget.
