DECISION

BACKGROUND

At the September 2015 meeting of the Local Pedestrian, Cycling and Traffic Calming Committee (LPCTCC), it was recommended that the City review the provision of bus parking in Hickson Road following the introduction of bus routes 311, 324 and 325.

COMMENTS

Following the introduction of bus routes 311, 324 and 325, parking in Hickson Road, south of Pottinger Street, is a mixture of “Bus Zone”, “Loading Zone” and “2P/4P Ticket Parking”.

In June 2016, the City reviewed the bus parking provisions in Hickson Road and found that some of the parking was not required and could be reallocated back to 2P/4P Ticket parking.

CONSULTATION

The City consulted local residents and businesses in the area. There were 312 letters sent out with no responses supporting or opposing the proposal. Transport for NSW (TfNSW) has been consulted and raised no objection to the proposal.

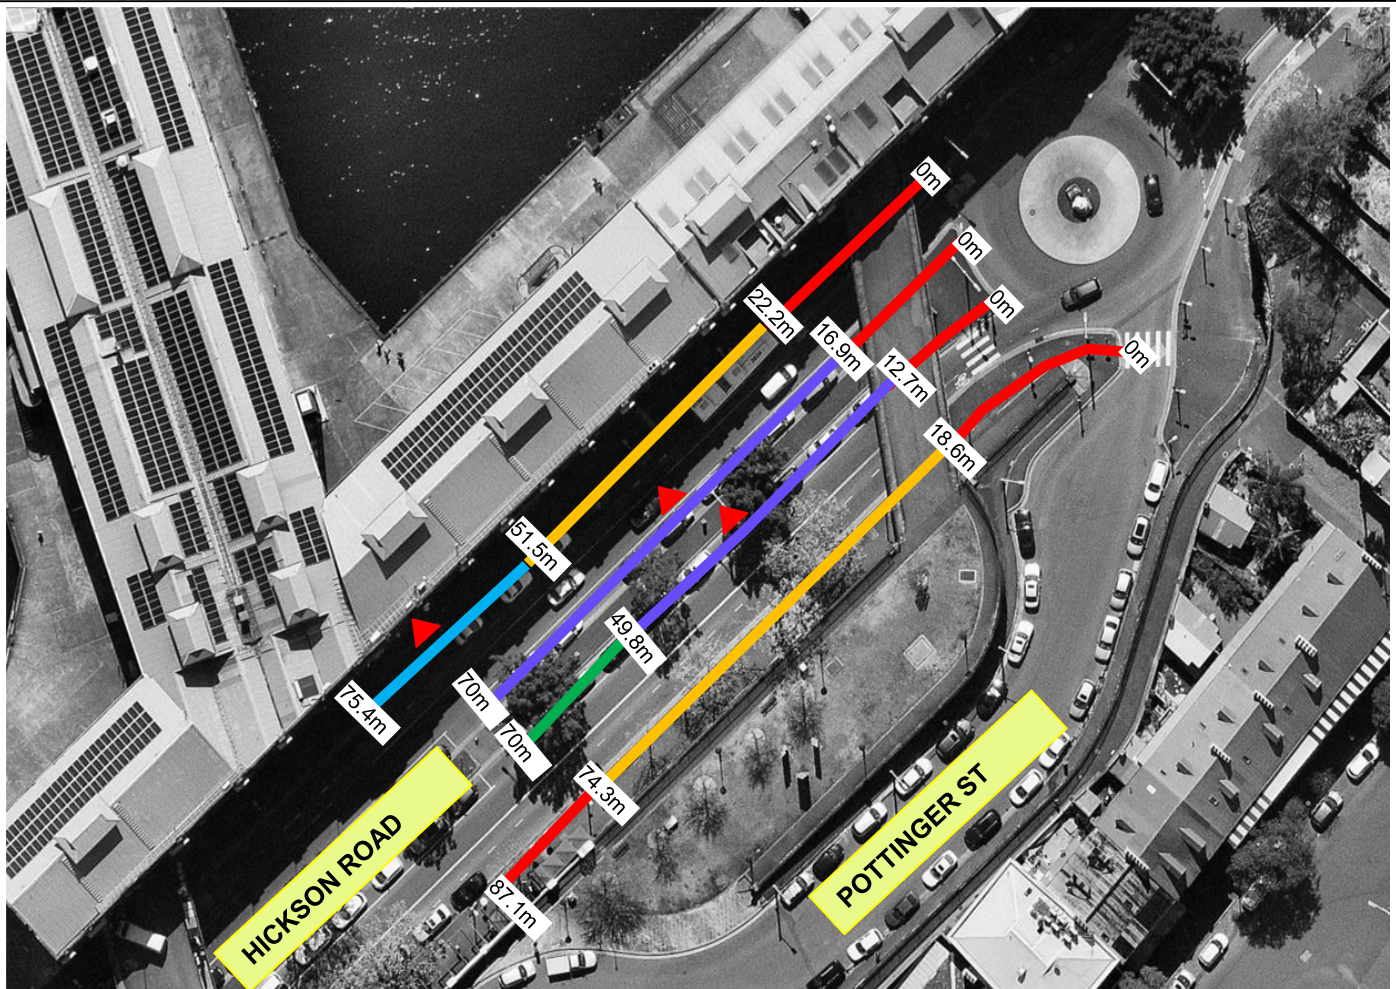

FINANCIAL

Funds are available in the current budget.
