**DECISION**

**BACKGROUND**

Icombined 360 has applied for the temporary road closure of Little Riley Street, Surry Hills between Foveaux and Fitzroy Streets, on Tuesday 7 March 2017 from 7am to 3pm.

**COMMENTS**

The proposed temporary road closure is required to allow a mobile crane to be used to replace telecommunication antennas at 88-90 Foveaux Street, Surry Hills.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS) on 18 January 2017.

### **CONSULTATION**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

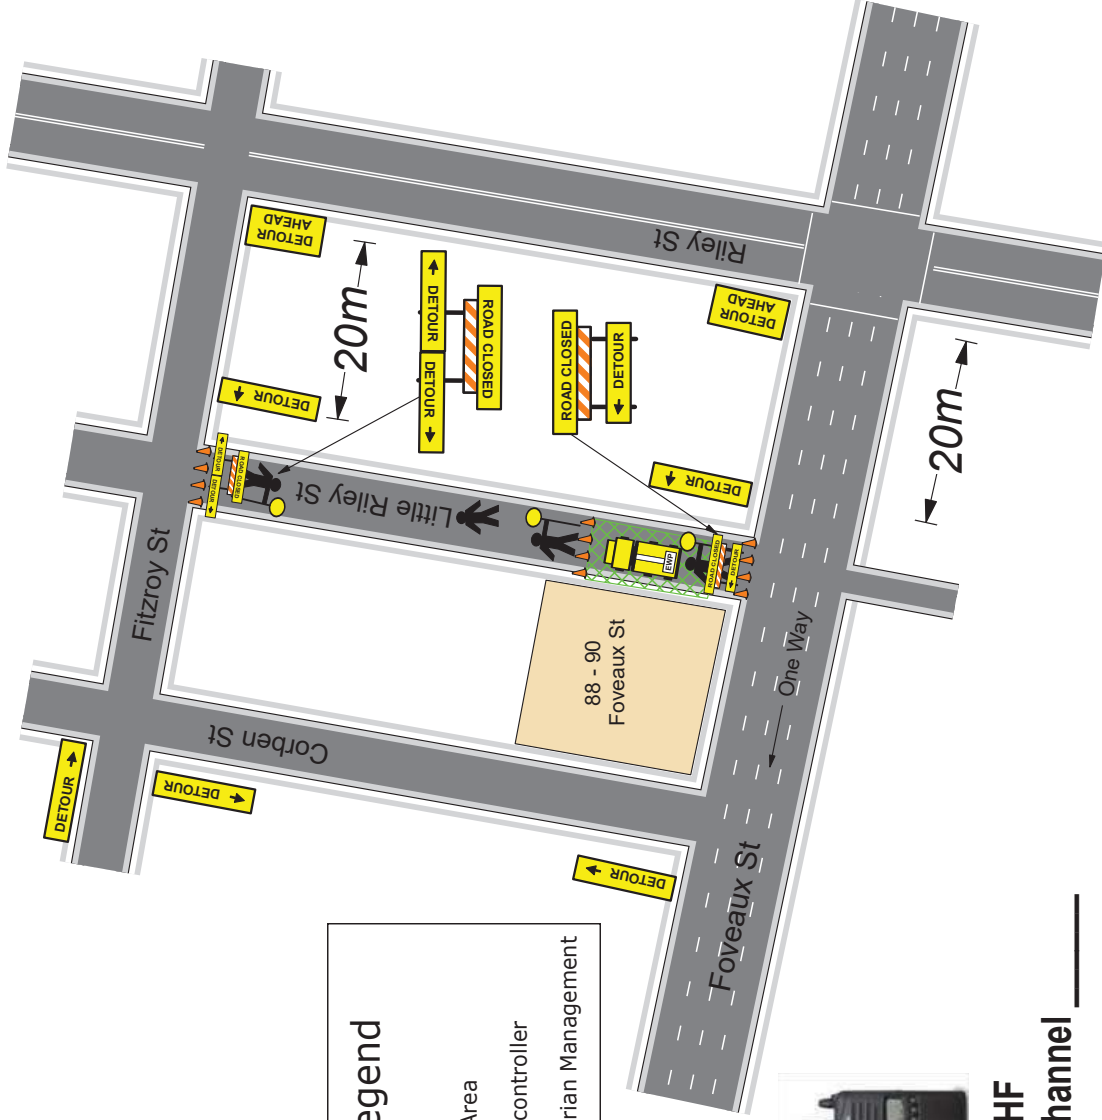

### **FINANCIAL**
