

**ITEM 33. TRAFFIC TREATMENT – KEEP CLEAR – RAILWAY PARADE
ERSKINEVILLE**

TRIM RECORD NO: 2017/010330

RECOMMENDATION

It is recommended that the Committee endorse the installation of “Keep Clear” pavement marking across the driveway to the City of Sydney State Emergency Services building at 107-125 Railway Parade, Erskineville, between Clara and Sydney Streets.

DECISION

BACKGROUND

The City of Sydney State Emergency Services has requested that “Keep Clear” pavement markings be placed across the driveway of their building at 107-125 Railway Parade, Erskineville to reduce delays for emergency response vehicles exiting the site.

COMMENTS

The City of Sydney State Emergency Services building has a driveway onto Railway Parade between Clara and Sydney Streets.

During peak times, vehicles queue back along Railway Parade from the intersection of Swanson Street and this queue can block emergency vehicles leaving the State Emergency Services building. The installation of “Keep Clear” pavement markings should minimise obstruction to access during these peak periods.

CONSULTATION

The proposed pavement marking has not been consulted as this proposal does not impact on local residents or businesses.

Roads and Maritime Services (RMS) have provided in principle support for the proposal.

FINANCIAL

Funds are available in the current budget.
