

**ITEM 9. MOBILE CRANES – TEMPORARY ROAD CLOSURES – MCELHONE  
STREET WOOLLOOMOOLOO**

**TRIM RECORD NO: 2017/196612**

**RECOMMENDATION**

It is recommended that the Committee endorse the temporary road closure of McElhone Street, between Brougham Lane and Reid Avenue, Woolloomooloo, on Saturday 22 July 2017 from 7am to 5pm, subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule B of this Agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant must maintain two-way vehicular access in Reid Avenue at all times during the temporary road closure.
- (D) The Applicant has indicated Saturday 29 July 2017 as an alternative date for the above work as a contingency for inclement weather.
- (E) The Applicant is to obtain a Road Occupancy Licence from the Transport Management Centre prior to commencement of works.
- (F) The Applicant must contact Kings Cross Police to obtain a separate police permit and to discuss deployment of user pay police for the road closure.
- (G) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.

**DECISION**

**BACKGROUND**

Alert Traffic Control Pty Ltd has applied for the temporary road closure of McElhone Street, between Brougham Lane and Reid Avenue, Woolloomooloo, on Saturday 22 July 2017 from 7am to 5pm.

## **COMMENTS**

The proposed temporary road closure is required to allow a mobile crane to install a tower crane at the rear of 153 Brougham Street.

The Applicant has provided a site-specific Traffic Control Plan (TCP) that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

The TCP shows vehicular access in Reid Avenue reduced to a single lane during the temporary closure. As such, the Applicant must maintain two-way vehicular access in Reid Avenue under traffic control at all times during the temporary closure.

The Applicant has informed that during the closure a single traffic lane will remain open in Reid Avenue to provide local access under traffic control.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

## **CONSULTATION**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

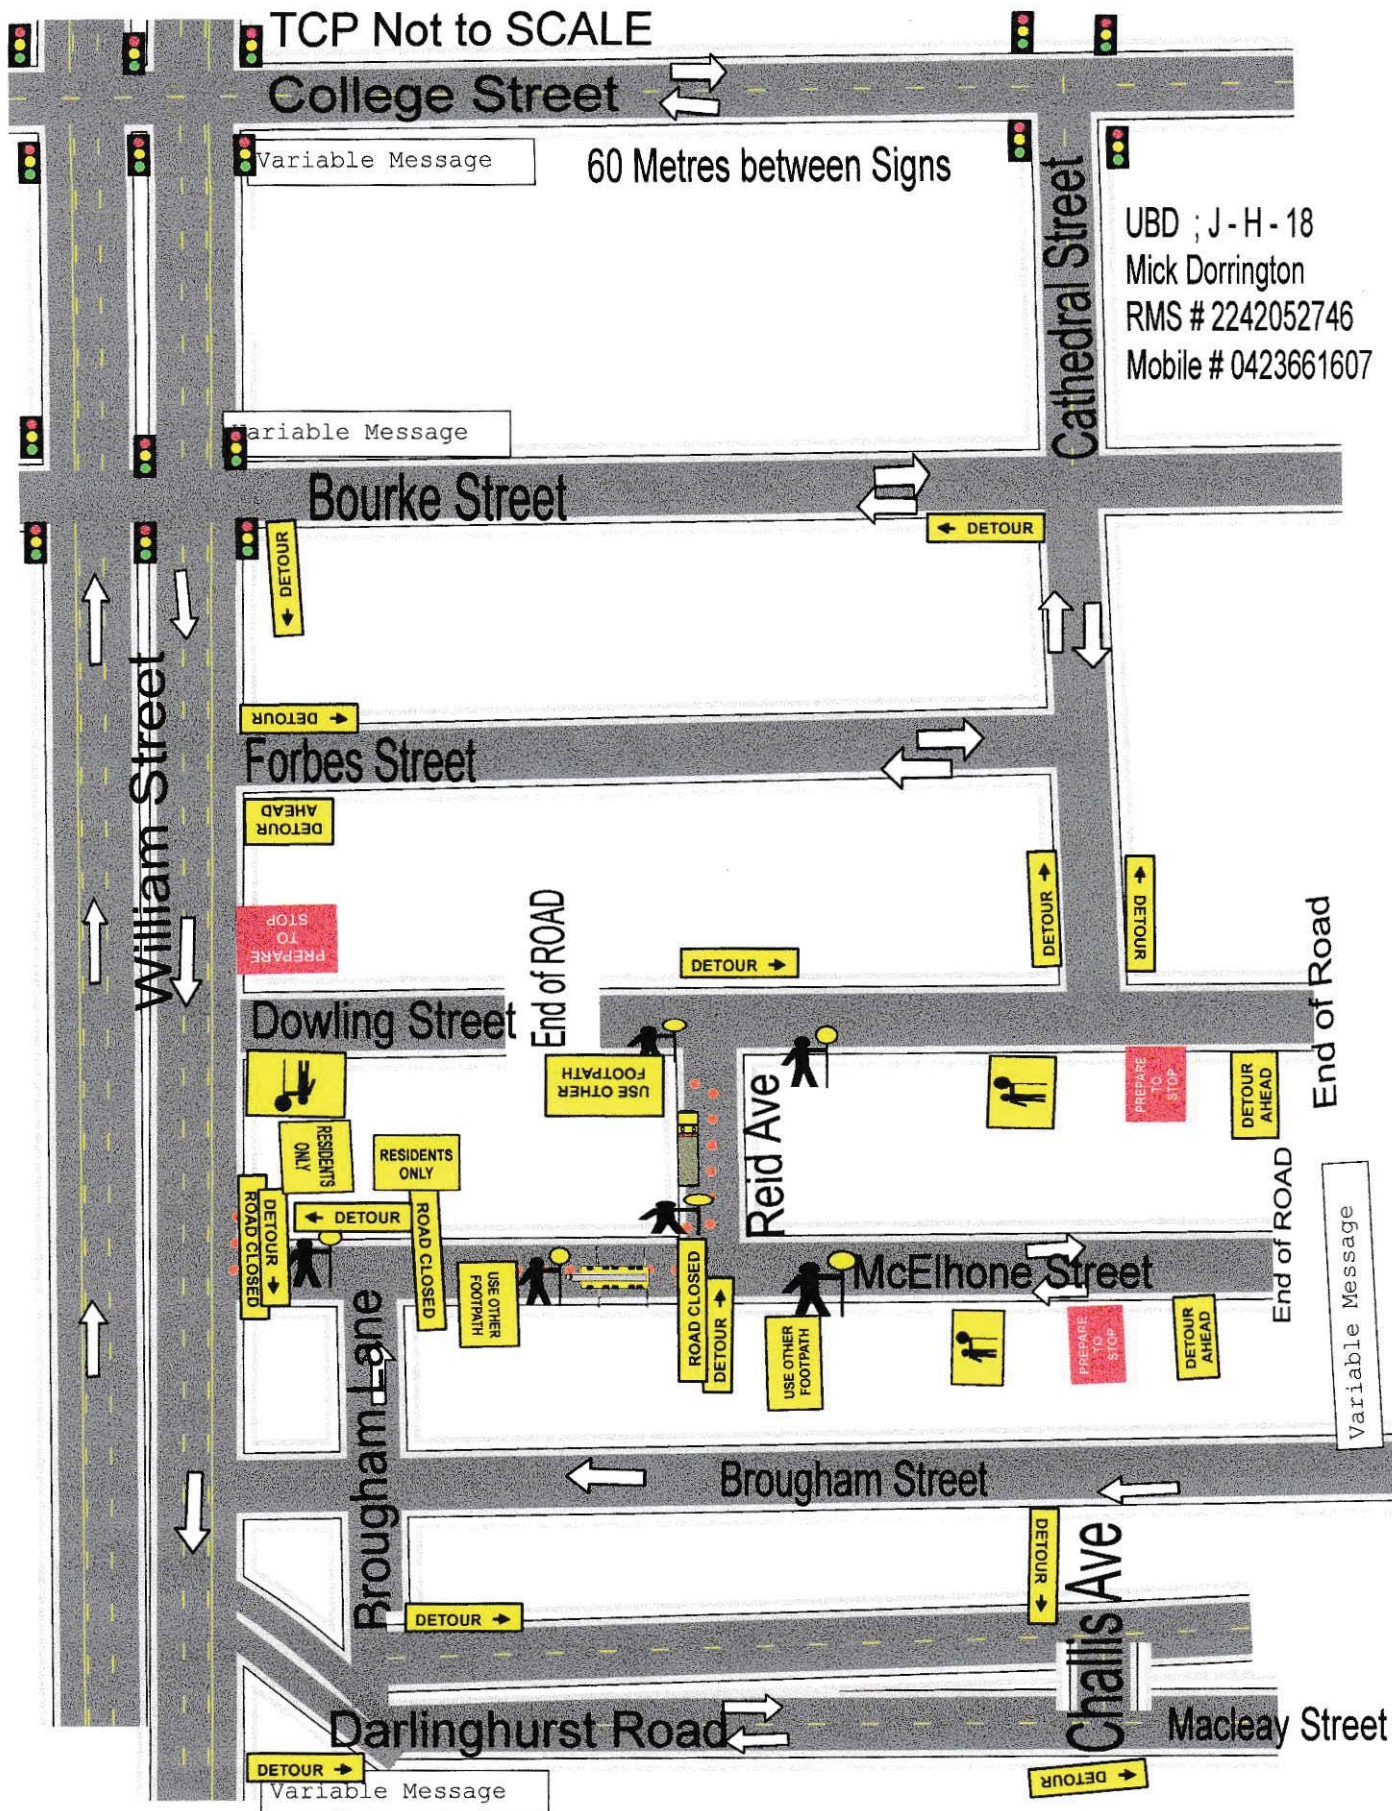

## **FINANCIAL**

All costs associated with the proposed closure will be borne by the Applicant.
