**BACKGROUND**

Construction Solutions has applied for the temporary road closure of Goderich Lane, between Pennys Lane and Ward Avenue, Potts Point, from 2-4 and 7-9 August 2017 from 7.30am to 5.30pm.

**COMMENTS**

The proposed temporary road closure is required to allow a mobile crane to install “B-Class” hoarding over Goderich Lane, Potts Point.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

During the closure, RMS-Accredited Traffic Controllers will be in attendance to manage local vehicular access into and out of Goderich Lane during the temporary road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

**CONSULTATION**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.
