**DECISION**

**BACKGROUND**

Residents of Sparkes Street have requested consideration to extend the time of the current 1P permit parking restriction to improve access to on-street parking for permit holders.

**COMMENTS**

The kerb space on the southern side of Sparkes Street, between Arundel and Larkin Streets, is currently signposted as “1P 8am-6pm Mon-Fri Permit Holders Excepted Area G”.

On-site inspections shows there is a need to extend the 1P permit parking restrictions to 10pm and seven days to increase parking turnover and improve permit holders’ access to on-street parking.

The proposed parking change would limit any vehicle which does not have an Area G parking permit to one hour of parking from 8am to 10pm, seven days a week where the signs are installed.

Extending the 1P permit parking restriction to 10pm and seven days is consistent with current parking restrictions in Arundel and Short Streets.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 159 letters sent out with three responses supporting the proposal and one response opposing the proposal.

The submission opposing the proposal cited difficulties for residents not eligible for parking permits to find on-street parking in the area.

**FINANCIAL**

Funds are available in the current budget.
