**DECISION**

**BACKGROUND**

The Development Consent for the Green Square Town Centre (D/2012/1175/F) requires the Applicant to deliver a new signalised intersection in Joynton Avenue at Zetland Avenue, Zetland.

The delivery of the new signalised intersection will address Condition 15 and 26 for the development of the Green Square Town Centre.

Zetland Avenue is a new street providing pedestrian, cycle and vehicular connections through the town centre. Zetland Avenue parking restrictions will be considered as part of a separate item.

**COMMENTS**

As part of the City's commitment to calm traffic and improve safety, the City is proposing to introduce a signal controlled intersection with four signal controlled crossing arms at the intersection of Joynton and Zetland Avenue, Zetland.

On 16 February 2017, Roads and Maritime Services approved the Traffic Control Signal Plan for the proposed signal controlled intersection at Joynton and Zetland Avenue.

**CONSULTATION**

The City consulted local residents and businesses in the area through a community engagement event and publication on the "SydneyYourSay" website. Over 100 people attended the event and 340 people visited the webpage.

There were no responses supporting or opposing the proposal.

**FINANCIAL**

Funds are available as part of the Green Square Project budget.

**ATTACHMENTS**

Item for Committee Information – Traffic Signals – Intersection of Joynton and Zetland Avenues Zetland
