DECISION

BACKGROUND

A resident of Amy Street, Erskineville has requested installation of a “No Parking” restriction to ensure unobstructed access to their property.

COMMENTS

Amy Street is approximately 6.1 metres wide, with unrestricted parking on both sides of the street and a number of driveways to properties.

Under existing conditions, when a vehicle parks on either side of Amy Street, two-way traffic flow is reduced to a single lane. This restricts access for properties on Amy Street. Under Section 6 of the Roads Act 1993, adjoining land owners have a right of vehicle access to the public road. Complying with this legislation sometimes results in the loss of on-street parking.

On-site inspection shows there is a need to provide a “No Parking” restriction to maintain property access.

CONSULTATION

The City notified local residents and businesses in the area. There were ten letters sent out with one response supporting the proposal and no responses opposing the proposal.

The response supporting the proposal believed the change would help provide access to properties.

FINANCIAL

Funds are available in the current budget.
