**DECISION**

**BACKGROUND**

The City has received a submission from a resident of Arthur Street, Surry Hills for the provision of a Motorbike Parking in Coulton Lane.

**COMMENTS**

The kerb space on the northern side of Coulton Lane, Surry Hills between Burdekin and Olivia Lanes, is currently signposted as “No Stopping” or is unrestricted for parking.

Residents have requested provision of motorbike parking in a length of kerb space which is between two driveways and allocated as “No Stopping”.

An assessment of the site revealed that this location is suitable for the provision of dedicated motorbike parking as it would not impact access to the adjacent driveways and has insufficient length to accommodate a car.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 182 letters sent out with no responses supporting or opposing the proposal.

**FINANCIAL**

Funds are available in the current budget.
