DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from Car Next Door for a car share space in Church Street, Camperdown, south of Parramatta Road.

COMMENTS

The kerb space on the eastern side of Church Street, south of Parramatta Road, where the Car Share space is proposed, is currently signposted as '1P 8:30am-6pm Mon-Fri, 8:30am-12:30pm Sat'.

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking. In the twelve months to July 2013, membership in the City has risen by around 350 members per month.

Within a 250 metre radius of this location, there are currently no spaces allocated for Car Next Door car share vehicles.

CONSULTATION

The City consulted local residents and businesses in the area. There were 270 letters sent out with no responses supporting or opposing the proposal.

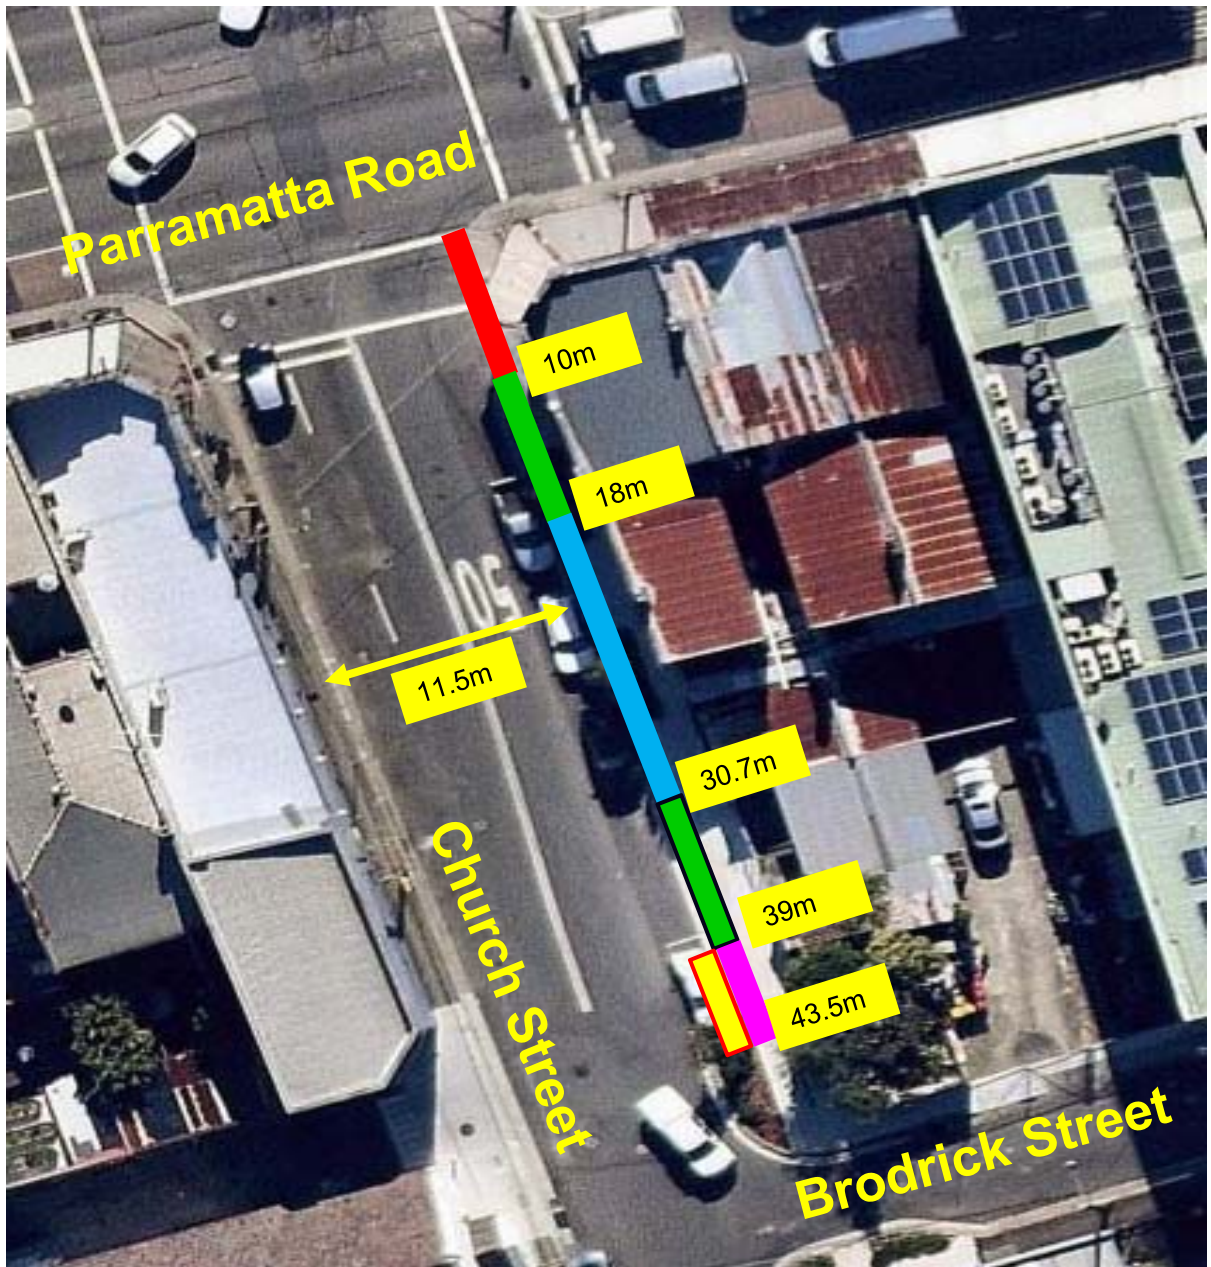

FINANCIAL

Funds are available in the current budget.
