**DECISION**

**BACKGROUND**

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from GoGet for a car share space in Crown Street, Darlinghurst south of Chapel Street.

**COMMENTS**

Parking on the western side of Crown Street, Darlinghurst south of Chapel Street is currently restricted as “2P Ticket 8am-10pm Permit Holders Excepted Area 21”.

The car share space will be installed and managed in accordance with the Roads and Maritime Service’s Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

As of August 2017, there are currently 263 GoGet car share members and eighteen spaces allocated for GoGet car share vehicles within 250 metre radius of this location.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 47 letters sent out with no responses supporting or opposing the proposal.

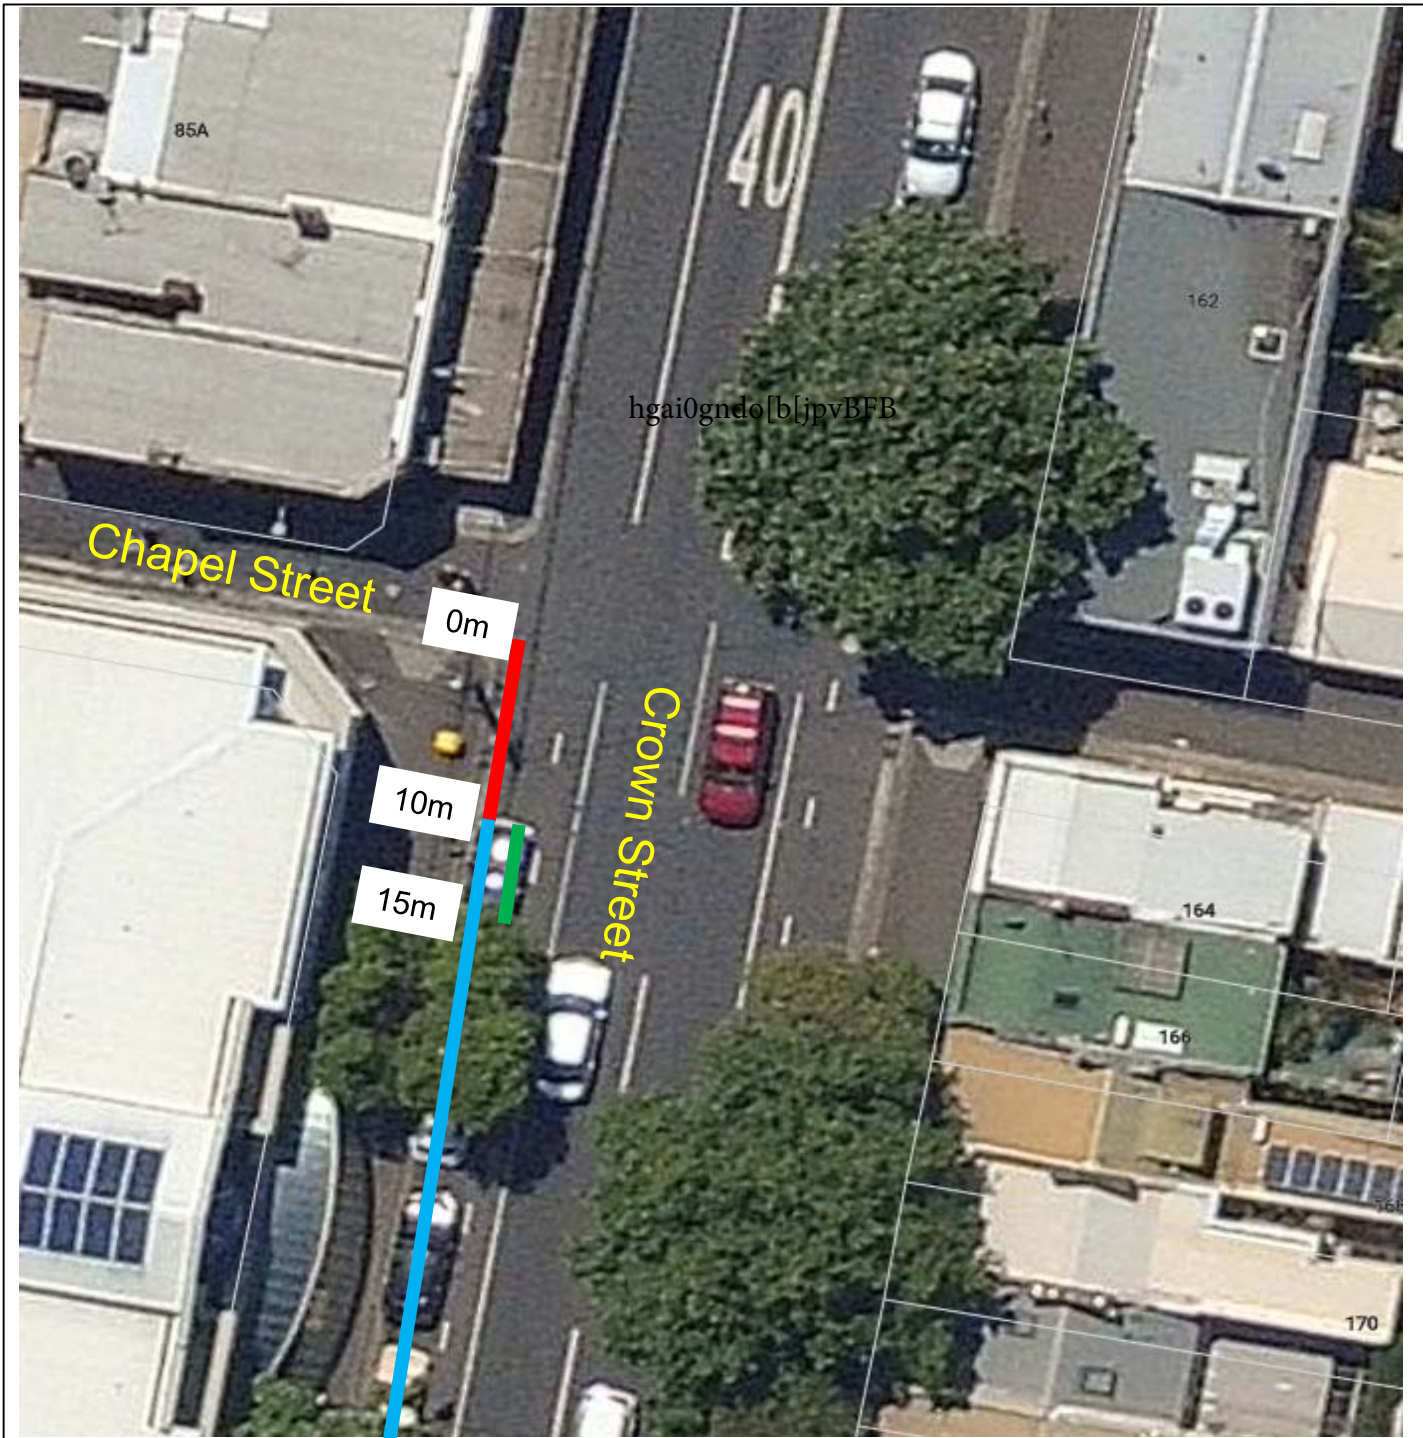

**FINANCIAL**

Funds are available in the current budget.
