**DECISION**

**BACKGROUND**

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from GoGet for a car share space in Gadigal Avenue, Zetland, west of Grandstand Parade.

**COMMENTS**

The kerb space on the southern side of Gadigal Avenue west of Grandstand Parade, adjacent to an existing car share space, is currently signposted as '1P 8am-6pm Mon-Fri'. The proposal will extend the existing car share bay to form a double pod.

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

As of August 2017 there are currently 339 GoGet car share members and 10 spaces allocated for car share vehicles within 250 metre radius of this location.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 369 letters sent out with no responses supporting the proposal and two responses opposing the proposal.

The residents opposing the proposal would like to retain the existing parking restrictions as there is already a high demand for parking space. However the existing car share spaces nearby have consistently high turnover usage and membership numbers in the surrounding area necessitate further capacity.

**FINANCIAL**

Funds are available in the current budget.
