DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from GoGet for a car share space in Victoria Park Parade, south of Wolseley Grove.

COMMENTS

The kerb space on the eastern side of Victoria Park Parade south of Wolseley Grove, adjacent to an existing car share space, is currently signposted as '4P 8am-6pm Mon – Fri'. The proposal will extend the existing car share bay to form a double pod.

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

As of August 2017, there are currently 392 GoGet car share members and 16 spaces allocated for car share vehicles within 250 metre radius of this location.

CONSULTATION

The City consulted local residents and businesses in the area. There were 161 letters sent out with no responses supporting or opposing the proposal.

FINANCIAL

Funds are available in the current budget.
