**DECISION**

**BACKGROUND**

The Moore Theological College, 2-20 Carillon Avenue, Newtown (ie part of Sydney University) was given development approval for additional educational and retail facilities, along with student accommodation and associated kitchen/dining areas. No off-street parking is available and the redevelopment is anticipated to generate an increase in servicing needs. Therefore, the College requested a loading zone on Carillon Avenue to allow for delivery purposes.

In June 2015, the Local Pedestrian, Cycling and Traffic Committee endorsed the provision of a Loading Zone in Carillon Avenue, outside the College, on the condition that it only be installed after the completion of the redevelopment works.

The site works have now been completed and the City is about to install the previously endorsed Loading Zone. However a review of the adjacent kerb space in Carillon Avenue, has shown that additional ticket parking could be provided to increase the availability of parking spaces for visitors to the area.

## **COMMENTS**

Part of the kerb space on the southern side of Carillon Avenue, between Little Queen Street and King Street (City Road), where the Loading Zone is proposed, is currently signposted as "No Parking". This restriction was originally provided as a merge area when there were two traffic lanes turning into Carillon Avenue from City Road. However, a number of years ago, the RMS changed the traffic arrangements in City Road so only one lane of traffic can turn into Carillon Avenue. Consequently, the "No Parking" restriction is no longer required.

The adjacent kerbspace further west along Carillon Avenue and on the northern side of the street is signposted as "2P Ticket 8am-6pm, Mon-Fri" and "4P Ticket 6pm-10pm, Mon-Fri; 8am-10pm, Sat, Sun and Public Holidays; Permit Holders Excepted Area 22".

It is proposed to install the previously endorsed Loading Zone, as well as reallocate the remaining section of "No Parking", either side of the Loading Zone, to "2P Ticket 8am-6pm, Mon-Fri" and "4P Ticket 6pm-10pm, Mon-Fri; 8am-10pm, Sat, Sun and Public Holidays; Permit Holders Excepted Area 22" to match the adjacent kerb space. This would result in an increase of approximately four parking spaces for visitors to the area.

The existing 20 metre long "No Stopping" restriction installed on the departure side of the signalised intersection from City Road will be retained.

## **CONSULTATION**

The City notified local residents and businesses in the area. There were 59 letters sent out with no responses supporting or opposing the proposal.

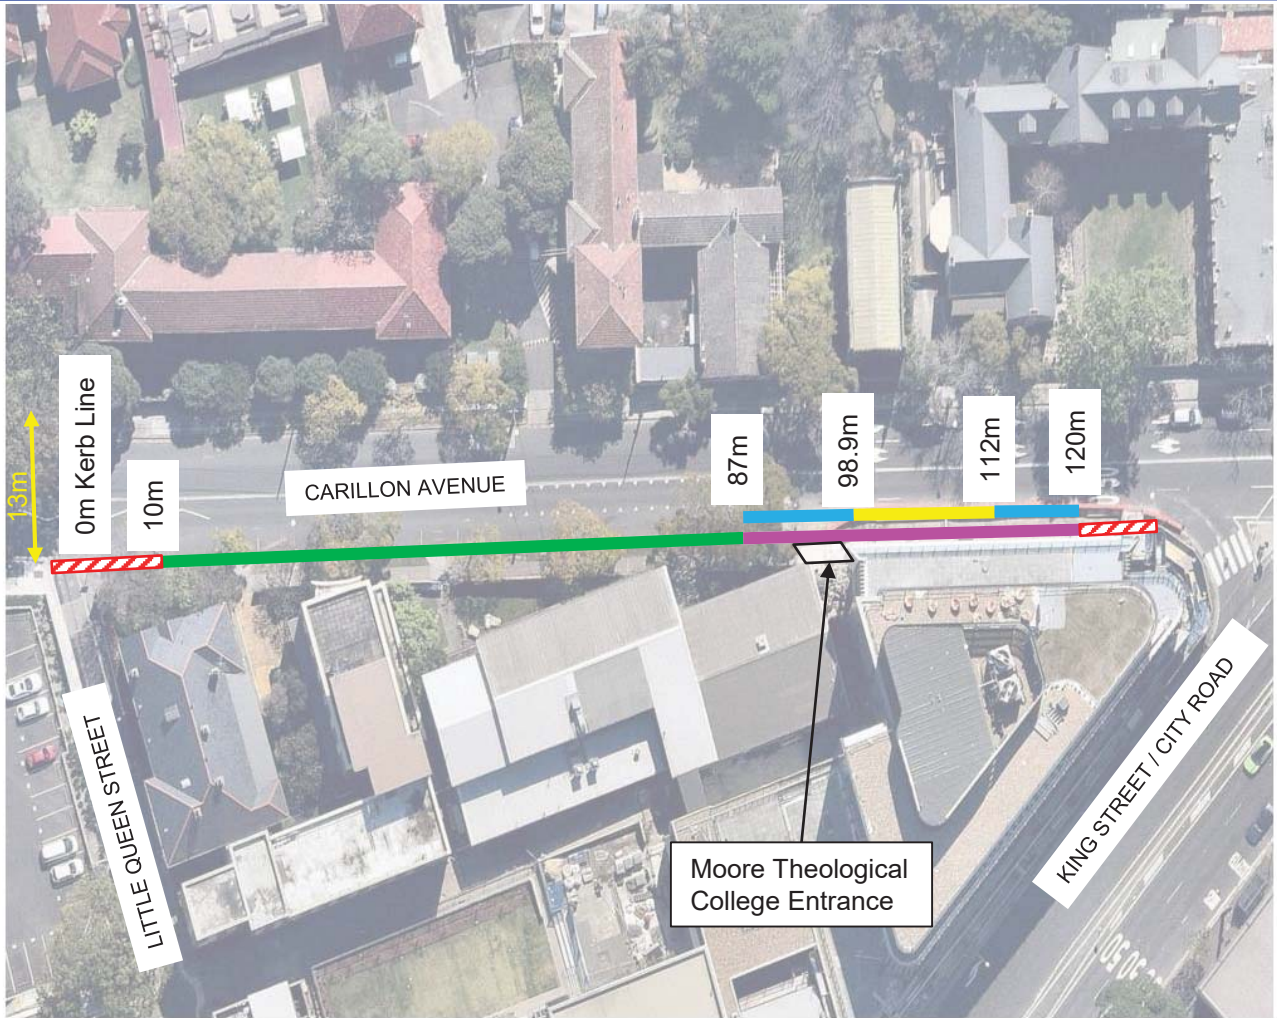

## **FINANCIAL**

Funds are available in the current budget.
