DECISION

The Committee carried the recommendation unanimously out-of-session on 26 October 2017.

BACKGROUND

At the October 2017 meeting of the Local Pedestrian, Cycling and Traffic Calming Committee (LPCTCC), the Committee deferred the temporary road closure of Foster Street, Surry Hills, between Elizabeth Street and Foster Lane, on Saturday 11 November and Sunday 17 November from 7am to 5pm.

Following the October LPCTCC meeting, the Sydney Coordination Office has approved the temporary road closure to take place from 10pm Saturday 18 November 2017 until 2pm Sunday 19 November 2017.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to install a tower crane on the roof of 216-228 Elizabeth Street, Surry Hills.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.
