

ITEM 29. PARKING – NO STOPPING – ARGYLE STREET MILLERS POINT

TRIM RECORD NO: 2017/577000

RECOMMENDATION

It is recommended that the Committee endorse the following reallocation of parking in Argyle Street, Millers Point, east of Lower Fort Street, as “No Stopping”:

- (A) On the southern side of Argyle Street, between points 27.9 metres and 37.9 metres (two car spaces); and
- (B) On the northern side of Argyle Street, between points 22.9 metres and 27.9 metres (one car space).

DECISION

BACKGROUND

The Millers Point Community has requested consideration for the City to review the existing marked pedestrian crossing in Argyle Street, east of Lower Fort Street.

COMMENTS

Parking adjacent to the marked pedestrian crossing in Argyle Street, east of Lower Fort Street, is allocated as “No Stopping” and 2P and 4P Ticket Permit Parking.

RMS Technical Direction *Stopping and Parking Restrictions at Intersections and Crossings* (TDT 2002/12c) requires “No Stopping” signs to be installed 20 metres on approach and 10 metres on the departure of a marked pedestrian crossing with no kerb extensions.

On-site inspection shows that the distance of the “No Stopping” signs on the eastern side of the marked pedestrian crossing in Argyle Street does not comply with RMS Technical Direction.

In order to comply with RMS Technical Direction, it is proposed to extend the “No Stopping” restrictions on the eastern side of the marked pedestrian crossing by an extra five metres on the northern side of Argyle Street and 10 metres on the southern side of Argyle Street. The proposed parking changes will result in a loss of three on-street parking spaces.

CONSULTATION

The City notified the parking change to local residents and businesses in the area.

FINANCIAL

Funds are available in the current budget.
