DECISION

BACKGROUND

The Development Consent for 2-6 Danks Street, Waterloo (D/2014/1841/B) requires the Applicant to submit a signage plan for kerbside parking arrangements along the site’s frontage in Young and Danks Streets, to be referred to the Local Pedestrian, Cycling and Traffic Calming Committee.

COMMENTS

The City has approved the redevelopment of 2-6 Danks Street, Waterloo.

The kerb space on Young and Danks Streets, where the parking changes are proposed, is currently signposted as “2P 8am-6pm, Mon-Sat”.

It is proposed to install parking restrictions to reflect the change in adjacent land use. As such, it is proposed to install “2P 8am-6pm” along the frontages of the redevelopment site. This change will comply with City’s Neighbourhood Parking Policy which recommends a two-hour parking limit as it better balances the aim of deterring commuter parking with the needs of households for visitors, carers and tradespeople.

The redevelopment of the site also includes the removal of a redundant driveway in Young Street. This results in an increase of one parking space for residents and visitors to the area.

CONSULTATION

The Applicant must notify adjacent properties at least 14 days prior to the implementation of the changes.

FINANCIAL

All costs associated with the proposal will be borne by the Applicant.
