**DECISION**

## **BACKGROUND**

Crown Group Construction Pty Ltd has applied for the temporary road closure of Ebsworth Street, Zetland, between Bourke Street and Tweed Place, from Saturday 5 May 2018 to Saturday 26 May 2018 (inclusive).

## **COMMENTS**

The proposed temporary road closure is required to facilitate the positioning of a 500 tonne mobile crane adjacent to 301 Botany Road (Infinity by Crown Group) and the transportation of around 400 tonnes of structural steel including one 70 tonne beam.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS) on 6 March 2018.

## **CONSULTATION**

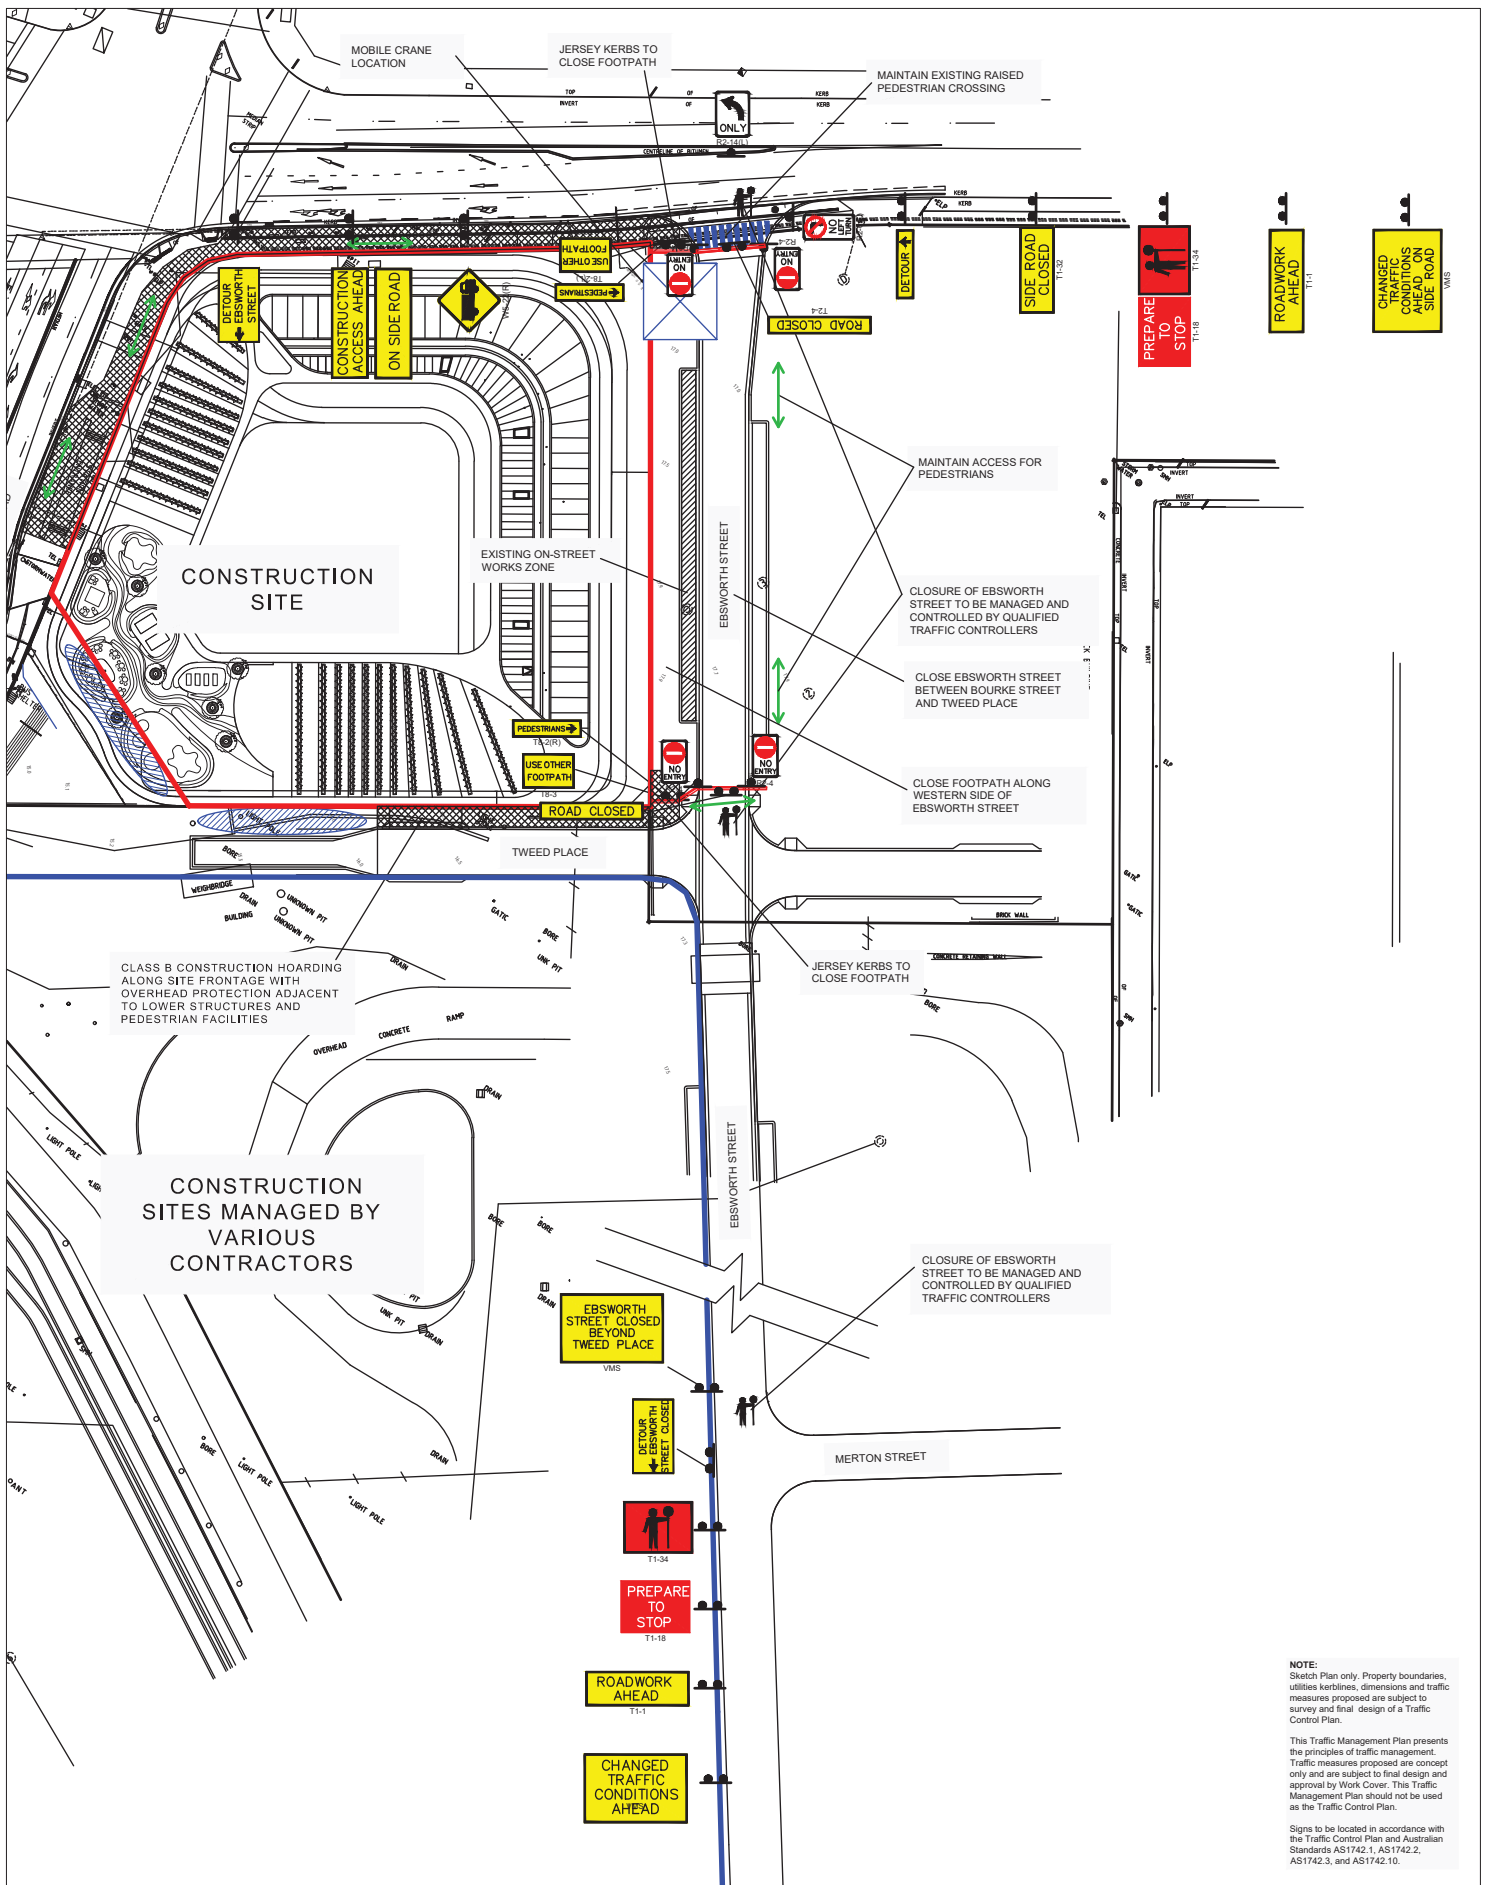

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

## **FINANCIAL**

All costs associated with the proposed closure will be borne by the Applicant.
