DECISION

BACKGROUND

A resident of Zamia Street, Redfern has advice that the existing Disability Parking space in the streets is no longer required.

COMMENTS

The kerb space on the southern side of Zamia Street, Redfern where the parking changes are proposed, is currently signposted as “Disability Parking”.

The City has received advice from a resident of Zamia Street that the Disability Parking space is no longer required. It is therefore proposed to introduce “2P 8am-6pm, Mon-Fri; Permit Holders Excepted Area 41”, in lieu of the redundant disability parking space. This would be consistent with the adjacent parking restrictions.

On-site inspection shows there is a need to provide timed permit parking to increase parking turnover and improve resident access to on-street parking.

The proposed changes would limit any vehicle which does not have a permit to two hours of parking from 8am to 6pm, Monday to Friday where the signs are installed.

Residents with an Area 41 parking permit will be exempt from the two-hour time limit.

A two-hour parking limit is preferred for streets in the inner residential areas as it better balances the long-stay parking needs of permit holders with the needs of all households to use parking for visitors, family, carers and tradespeople.

CONSULTATION

The City consulted local residents and businesses in the area. There were 43 letters sent out with no responses supporting or opposing the proposal.

FINANCIAL

Funds are available in the current budget.
