# issues

- owner's consent
- location/proximity to residential uses
- heritage impact

# owner's consent

- application lodged in NSW Planning Portal 10<sup>th</sup> July 2020 - declaration that owner's consent had been provided
- 14<sup>th</sup> July 2020 - City received official strata stamp confirming owner's consent
- 5<sup>th</sup> August 2020 - City received correspondence from strata body retracting consent
- works previously affecting common property have been removed from application, including external signage, upgrades to common stairs and removal of epoxy flooring
- amended application does not affect common property

# proximity to residential uses

- residential uses in levels 5 and 6 of the subject building have since been converted to commercial
- residential uses are contained in the upper levels of 4 Bridge Street, which adjoins the site to the west
- City records indicate no residential uses in basement, ground, first or second floor of 4 Bridge Street
- entrance door to premises is located 6m east of entrance to 4 Bridge Street
- anticipated impacts unlikely to be significantly different to those of a restaurant and bar as per previous approvals

Residential uses at 4 Bridge Street on levels 5 and 6

# recommendation

- the application is recommended for approval
- recommended conditions address operation and management of premises and heritage
