

Relevant Information for Council

FILE: X037206 **DATE:** 14 May 2021

TO: Lord Mayor and Councillors

FROM: Kim Woodbury, Chief Operating Officer

THROUGH: Monica Barone, Chief Executive Officer

SUBJECT: Information Relevant To Item 7.5 – Review of Environmental Factors – Pop-Up Cycleway - Dunning Avenue

For Noting

This memo is for the information of the Lord Mayor and Councillors.

Background

At the meeting of the Environment Committee on 10 May 2021, further information was sought on the financial year in which the cycleway was budgeted for.

The Dunning Avenue cycleway is budgeted over the coming three financial years with construction currently budgeted in year three.

New concept designs for a bi-directional separated cycleway are currently being developed in response to the community feedback received on the pop-up cycleway configuration. Two years are required for design, consultation, approvals and construction tender processes.

As discussed at the Committee meeting, funds can be brought forward as any time if the concept design, community consultation, detailed design and consultation tenders progress faster than the forward funding budget profile

Memo from Kim Woodbury, Chief Operating Officer
