

Relevant Information for Council

FILE: X038988.002 **DATE:** 15 October 2021

TO: Lord Mayor and Councillors

FROM: Amit Chanan, Director City Projects and Properties

THROUGH: Monica Barone, Chief Executive Officer

SUBJECT: Information Relevant To Item 7.3 - Project Scope - The Crescent Synthetic Sports Field Project

For Noting

This memo is for the information of the Lord Mayor and Councillors.

Background

At the meeting of the Environment Committee on 11 October 2021, further information was sought on the below issues.

1. **Tree planting and heat island impacts/mitigation measures.**

The partial closure of Chapman Road to create an extra 1,500 square metres of open space will assist in heat island mitigation measures by increasing tree and vegetation coverage adjacent to the field.

Ten large canopy trees will be planted to provide shade, habitat, amenity and increase canopy coverage. The detailed design will further explore opportunities to increase tree planting to the eastern edge of the field.

2. **Proposed Chapman Road turning circle and parking bays.**

The new Chapman Road turning circle will be reviewed with a traffic engineer in the detailed design. The design will seek to increase parking bays and provide safe crossing point for pedestrians.

Memo from Amit Chanan, Director, City Projects and Property

Prepared by: Lucy Farley, Design Manager

Approved

A handwritten signature in black ink, appearing to read 'P.M. Barone', with a long horizontal flourish extending to the right.

MONICA BARONE

Chief Executive Officer
