Background

The Aboriginal and/or Torres Strait Islander Collaboration Fund program supports Aboriginal and Torres Strait Islander organisations deliver projects that meet the needs of their community in the local area.

Three applications were received in this funding round. The recommendation is for Council to endorse three applications for a total of \$149,722 in cash for payment in the 2024/25 financial year.

Following the preparation of the report to the Resilient Communities and Economy Committee, staff were advised that the Redfern All Blacks and the Waterloo Storm were seeking value in kind in the form of access to fields for the purposes of training in the lead up to the Koori Knockout event. It is the further recommendation of staff that Council approve up to \$4,000 value in kind for three years to each the Redfern All Blacks and the Waterloo Storm for training ground hire.
