

# Decision of Local Pedestrian, Cycling and Traffic Calming Committee

**18 April 2019**

**Item 39**

**Traffic Treatment - Continuous Footpath Treatment - Brisbane Street, Surry Hills**

2019/118480

**Recommendation**

It is recommended that the Committee endorse a proposal to replace the existing marked pedestrian crossing on Brisbane Street, Surry Hills, just south of Oxford Street, with a continuous footpath treatment.

**Decision**

The Committee carried the recommendation unanimously.

**Background**

Under existing conditions, vehicles travelling westbound along Oxford Street and entering into Brisbane Street, turn at speed through the marked pedestrian crossing, failing to give-way for pedestrians. This scenario creates unsafe conditions for pedestrians crossing Brisbane Street.
