Background

Sydney Metro TSE (JHCPBG JV) has applied for the temporary road closure Hickson Road, Sydney, between High Street and Argyle Place, from midnight to 5am from Wednesday 29 May and Thursday 30 May 2019.

Comments

The proposed temporary road closure is required to enable oversize machinery to safely cross Hickson Road. This will occur on three different occasions lasting 20 minutes at a time, between midnight and 5am.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan for the temporary road closure was approved by Roads and Maritime Services.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closures will be borne by the applicant.
