

Resolution of Council

17 February 2020

Item 7.2

Climate Emergency Response

It is resolved that Council:

- (A) receive and endorse the Climate Emergency Response report; and
- (B) note that Chapter 5 of the July 2019 to December 2019 Environmental Sustainability Progress Report (Green Report) contains updated information about climate related observations and events which supplements the City's 2015 Adapting for Climate Change strategy following a review in 2019.

Carried unanimously.
