

# Advice of Local Pedestrian, Cycling and Traffic Calming Committee

**16 April 2020**

**Item 19**

**Traffic Treatment - Proposed Streetscape Improvements - Custom House Lane, Loftus Lane and Loftus Lane (South), Sydney**

2020/074541

**Recommendations**

It is recommended that the Committee endorse the following traffic treatments in Sydney:

- (A) Permanently close Loftus Lane, between Custom House Lane and Loftus Lane (South), to vehicular traffic;
- (B) Installation of Shared Zone treatments in Custom House Lane, between Young and Loftus Streets, and Loftus Lane (South), between Young and Loftus Streets.

## **Advice**

The Committee unanimously supported the recommendation.

## **Background**

Custom House Lane, Loftus Lane and Loftus Lane (South) are local laneways within the AMP 'Quay Quarter' Precinct – bounded by Loftus and Young Streets, Custom House Lane and Loftus Lane (South).

Approval has been granted to redevelop the precinct (D/2015/930) including consideration to permanently close Loftus Lane, between Custom House Lane and Loftus Lane (South) (Condition 67).

The developer has applied to permanently close Loftus Lane to vehicular traffic to create a pedestrian only space that will activate the lane and provide pedestrian links through the precinct.

Additional improvements for the precinct include the introduction of shared zones in Custom House Lane and Loftus Lane (South).
