

Resolution of Local Planning Panel

15 April 2020

Item 4

Development Application: 21C Billyard Avenue, Elizabeth Bay - D/2019/665

The Panel deferred consideration of Development Application No. D/2019/665 until a subsequent meeting of the Local Planning Panel to enable the applicant to submit the necessary material to allow for assessment of the 3D model and the view loss impacts.

Reasons for Decision

The Panel considered it reasonable to defer rather than refuse the application as there appears to be reasonable potential for the additional information required to finalise assessment of the application to be submitted shortly.

Carried unanimously.
