

Decision of Local Pedestrian, Cycling and Traffic Calming Committee

19 April 2018

Item 50

Traffic Treatment - Shared Path and Continuous Footpath Treatment - City Road, Camperdown

2018/000402

Recommendation

It is recommended that the Committee endorse the installation of the following changes:

- (A) A Shared Path on the western side of City Road, Camperdown, between the points 31.1 metres and 47 metres north of Fisher Road;
- (B) A Shared Path on the eastern side of City Road, Camperdown, between the points 31.5 metres and 44 metres north of Butlin Avenue;
- (C) A continuous footpath treatment in City Road, just west of Fisher Road.

It is also recommended that the Committee note the installation of:

- (D) A Bicycle Storage Area on Butlin Avenue, Camperdown on approach to the signalised intersection with City Road; and
- (E) Bicycle lanterns on the northern pedestrian arm across City Road, Camperdown at the signalised intersection with Butlin Avenue.

Decision

The Committee carried the recommendation unanimously.

Background

The Development Consent for the University of Sydney F23 Building (SSD 7055) requires the Applicant to provide improvements to the University Access especially at the intersection of Fisher Road, Camperdown with City Road.

The proposal includes the provision of the following:

- A Continuous Footpath Treatment across Fisher Road;
- A Bicycle Storage Area on Butlin Avenue on the eastern approach to the intersection;
- Bicycle lantern to allow for a signal phase dedicated to cycle movements; and
- A Shared Path either side of the intersection to facilitate cycle access into the University of Sydney Camperdown Campus.

The delivery of the upgrades will address Condition C7 for the development of the University of Sydney F23 Building.
