

**15 July 2021**

**Item 25**

**Traffic Treatment - Continuous Footpath Treatment - Tudor Street, Surry Hills**

2021/247900

**Recommendation**

It is recommended that the Committee endorse the installation of the following treatments in Surry Hills:

- (A) A continuous footpath treatment across Tudor Street, just east of Riley Street; and
- (B) A 2.1 metre wide footpath widening on the eastern side of Riley Street between Tudor Street and the points 10 metres north and 10 metres south of Tudor Street.

**Advice**

The Committee unanimously supported the recommendation.

## **Background**

Existing kerb extensions on Tudor Street, Surry Hills at Riley Street are approaching the end of their asset life and require reconstruction. The City is proposing to reconstruct the kerb extensions to include a continuous footpath treatment across Tudor Street, just east of Riley Street. This will improve pedestrian safety, accessibility, slow vehicle speeds and enhance the streetscape.
