Reasons for Decision

The application was approved for the following reasons:

- (A) The development complies with the objectives of the B4 Mixed Use zone pursuant to the Sydney LEP 2012.
- (B) The use as a sex services premises is considered to be in keeping with the character of the area given its broad mix of commercial uses.
- (C) The revised Plan of Management adequately addresses the operational, safety and security requirements of the premises.
- (D) The development, subject to conditions generally demonstrates design excellence and satisfies the provisions of Clause 6.21 of the Sydney LEP 2012.
- (E) Subject to conditions, the proposal generally satisfies the relevant strategy, objectives and provisions of the Sydney LEP 2012 and Sydney DCP 2012.
- (F) Suitable conditions of consent have been applied and the development is considered to be in the public interest.
- (G) Based upon the material available to the Panel at the time of determining this application, the Panel is satisfied that:
 - (i) the applicant's written request has adequately addressed the matters required to be demonstrated by clause 4.6(3) of the Sydney LEP 2012, that compliance with the Floor Space Ratio development standard is unreasonable or unnecessary and that there are sufficient planning grounds to justify contravening clause 4.4 of the Sydney LEP 2012; and
- (H) the proposal is in the public interest because it is consistent with the objectives of the B4 Mixed Use zone and the Floor Space Ratio development standard.
- (I) Condition 2 (b) was added to provide consistent frontage to the public domain in terms of architectural and heritage character.

Carried unanimously.
