Decision

The Committee noted the recommendation unanimously.

Background

In October 2009, the Committee endorsed the timed closure of Angel Place, Sydney, from George Street to the point 85 metres east of George Street, between midnight and 10am.

The City of Sydney on behalf of Transport for NSW, proposes to permanently close Angel Place, between George and Ash Streets, to eliminate conflicts with the CBD and South East Light Rail. The permanent road closure to vehicular traffic will also improve pedestrian safety and accessibility and enhance the local amenity.
