

Resolution of Council

16 May 2022

Item 6.9

Exemption from Tender - Migration to Ungerboeck Cloud

It is resolved that:

- (A) Council approve an exemption from tender to enter into a contract with Ungerboeck Systems International Pty Ltd for the Ungerboeck transition to, and continued service in, a cloud based service as the unavailability of competitive tenders would not achieve a satisfactory result by inviting tenders;
- (B) Council note that a satisfactory result would not be achieved by inviting tenders because the existing supplier is the sole provider of the relevant software services that have been customised specifically for the City, and a competitive tender process within the required time frame for transition is not possible; and
- (C) authority be delegated to the Chief Executive Officer to negotiate, execute and administer the contract(s) relating to the Ungerboeck transition to, and ongoing service in, a cloud based service on terms acceptable to the City, for the term and total contract sum detailed in Confidential Attachment A to the subject report.

Carried unanimously.
