**Advice**

The Committee unanimously supported the recommendation and noted that an update will be provided to the Committee at the completion of the trial.

**Background**

The City's Draft Electrification Strategy and Action Plan identifies the need for a small supply of on-street electric vehicle charging in areas with limited access to off-street charging opportunities. The Draft Action Plan identifies the need to trial small-scale, on-street vehicle charging using low impact technology on power poles.

In collaboration with Ausgrid, the City is proposing a trial of on-street electrification vehicle charging using Ausgrid infrastructure in St Johns Road, Glebe. .
