

Resolution of Central Sydney Planning Committee

22 June 2023

Item 4

Development Application: 262-266 Castlereagh Street and 271-279 Elizabeth Street, Sydney - D/2022/152

Moved by the Chair (the Lord Mayor), seconded by Councillor Kok -

It is resolved that:

- (A) authority be delegated to the Chief Executive Officer to determine Development Application D/2022/152, after concurrence from Sydney Metro is received in accordance with Clause 2.99 of the State Environmental Planning Policy (Transport and Infrastructure) 2021; and
- (B) the requirement of Section 51N of the City of Sydney Act 1988 to consult with the Central Sydney Traffic and Transport Committee not apply in this instance as the proposal does not require, nor might reasonably be expected to require, the carrying out of road works or traffic control works that are likely to have a significant impact on traffic and transport in the Sydney CBD.

Reasons for Decision

The application was approved for the following reasons:

- (A) The proposal satisfies the objectives of the Environmental Planning and Assessment Act 1979 in that, subject to the imposition of conditions as recommended, it achieves the objectives of the planning controls for the site for the reasons outlined in the report to the Central Sydney Planning Committee.
- (B) The proposal generally satisfies the objectives and provisions of the Sydney Local Environmental Plan 2012 and the Sydney Development Control Plan 2012.
- (C) The articulation, materiality and sustainability measures of the proposal combine to exhibit design excellence in accordance with the relevant provisions and matters for consideration in Clause 6.21C of the Sydney Local Environmental Plan 2012.

- (D) The proposed development has a height, scale and form suitable for the site and its context, and satisfactorily addresses the heights and setbacks of neighbouring developments, is appropriate in the streetscape context and setting of the broader locality.
- (E) The development does not result in any significant adverse environmental or amenity impacts on the subject or surrounding properties, the public domain, and the broader locality, subject to the recommended conditions.
- (F) The public interest is served by the approval of the proposal, as amendments to the development application have addressed the matters raised by the City officers, the City's Design Advisory Panel, and the community, subject to recommended conditions included in Attachment A.

Carried unanimously.
