Background

The City's Inclusion (Disability) Action Plan 2021-2025 (IDAP) includes a series of actions designed to actively address barriers faced by people with disability.

One of the actions identified in the IDAP is to "continue to explore and implement strategies to increase access to on-street and off-street accessible parking and drop off points in the City of Sydney area".

Therefore, the City is proposing to install "4P Mobility Parking 8am-10pm" in O'Connor Street, Chippendale.
