Moved by the Chair (the Lord Mayor), seconded by Councillor Worling –

It is resolved that consent be granted to Development Application Number D/2023/453 subject to the conditions set out in Attachment A to the subject report.

Reasons for Decision

The application was approved for the following reasons:

- (A) The proposal satisfies the objectives of the Environmental Planning and Assessment Act, 1979, in that, subject to the imposition of conditions as recommended, it achieves the objectives of the site's planning controls for the reasons outlined in the report to the Central Sydney Planning Committee.
- (B) The proposal generally satisfies the objectives and provisions of the Sydney Local Environmental Plan 2012 and the Sydney Development Control Plan 2012, particularly the site-specific provisions for the development site.
- (C) The articulation, materiality and architectural contribution of the proposal combine to exhibit design excellence in accordance with the relevant provisions and matters for consideration in Clause 6.21 of the Sydney Local Environmental Plan 2012.
- (D) Subject to conditions, the proposed development is consistent with the design intent of the winning scheme of a competitive design process, held in accordance with the City of Sydney Competitive Design Policy.
- (E) The proposed development has a height, scale and form suitable for the site and its context, and subject to conditions, satisfactorily addresses the heights and setbacks of neighbouring developments, is appropriate in the streetscape context and setting of the broader locality.
- (F) Subject to the recommended conditions of consent, the proposed development achieves acceptable amenity for the existing and future occupants of the subject and adjoining sites.

- (G) The proposed mix of commercial land uses will support the vitality of the area and realise the strategic vision intended for the site within the Central Sydney Planning Strategy. The development does not result in any significant adverse environmental or amenity impacts on the subject or surrounding properties, the public domain, and the broader locality, subject to the recommended conditions.
- (H) The public interest is served by the approval of the proposal, as amendments to the development application have addressed the matters raised by the City and the community, subject to recommended conditions imposed relating to the appropriate management of potential environmental impacts associated with the development.

Carried unanimously.
