

Decision of Local Pedestrian, Cycling and Traffic Calming Committee

19 July 2018

Item 49

Traffic Treatment - Continuous Footpath Treatment - Eve Street, Erskineville

2018/289220

Recommendation

It is recommended that the Committee endorse the replacement of an existing raised threshold with a continuous footpath treatment in Eve Street, Erskineville, just north of the intersection with Coulson Street.

Decision

The Committee carried the recommendation unanimously.

Background

The City proposes to replace the existing raised threshold in Eve Street, Erskineville just north of Coulson Street, with a new continuous footpath treatment at the intersection. The proposal will improve pedestrian safety and accessibility, slow vehicle speeds and enhance the streetscape.
