Advice

The Committee unanimously supported the recommendation.

Background

The existing car share space is located on the western side of Pymont Street north of Pymont Bridge Road next to the Pymont Metro Station construction site access. The car share operator has informed the City that they are required to move their car share vehicle whenever there are permits for Pymont Metro Station construction work to occupy the car share space. To minimise impacts to their business, the car share operator has requested the City to relocate the car share space to the western side of Pymont Street, south of Pymont Bridge Road.
