

Resolution of Council

16 December 2024

Item 6.6

Project Scope - Bay Street Depot Upgrade

It is resolved that Council:

- (A) endorses the scope of works for the Bay Street Depot upgrade works as described in the subject report and as generally indicated at Attachment B to the subject report for progression to required planning approvals, detailed design, documentation and construction of works; and
- (B) note the financial implications and timeframes outlined in the subject report.

Carried unanimously.
