

Resolution of Council

17 March 2025

Item 7.5

Project Scope - New Public Toilet Building, Landscape Works and Umpire's Room at Jubilee Park and Oval and New Automated Public Toilet at Bicentennial Park East

It is resolved that Council:

- (A) approve the project scope for works at Jubilee Oval as described in the subject report for the purposes of proceeding with documentation, required planning approvals, and tender for construction works;
- (B) endorse the installation of an automated public toilet at Bicentennial Park East (subject to feasibility investigations, community consultation and inclusion in the Long Term Financial Plan); and
- (C) note the financial implications for the demolition and construction works at Jubilee Oval and installation of the automated public toilet at Bicentennial Park East as outlined in Confidential Attachment E to the subject report.

Carried unanimously.
