Item 6.6

Exemption from Tender - Provision of Short Term Staff Through Agencies

It is resolved that:

- (A) Council approve an exemption from tender for the extension of the existing short-term labour agency panel for a period of three months;
- (B) Council note that the reason an exemption from tender has been sought is to allow for the implementation of the new temporary labour supply arrangements; and
- (C) authority be delegated to the Chief Executive Officer to execute and administer the variation of the contracts with the 39 agencies for the purpose of continuing the supply of temporary labour for a period of three months to 30 June 2019.

Carried unanimously.
