Disclaimer, Terms and Guidelines for Speakers at the Central Sydney Planning Committee

As part of our democratic process, the City invites members of the community to speak directly to the Central Sydney Planning Committee (CSPC) during meetings about items on the agenda.

Webcast

In accordance with the *City of Sydney Code of Meeting Practice*, CSPC meetings are audio visually recorded and webcast live on the City of Sydney website at www.cityofsydney.nsw.gov.au.

Members of the public attending a meeting may have their image, voice and personal information (including name and address) recorded, publicly broadcast and archived for up to 12 months.

Consent

By attending a meeting, members of the public consent to this use of their image, voice and personal information.

Disclaimer

Statements made by individuals at a meeting, and which may be contained in a live stream or recording of the meeting are those of the individuals making them, and not of the City. To be clear, unless set out in a resolution, the City does not endorse or support such statements.

The City does not accept any liability for statements made or actions taken by individuals during a meeting that may be contrary to law, including discriminatory, defamatory or offensive comments. Such statements or actions are not protected by privilege and may be the subject of legal proceedings and potential liability, for which the City takes no responsibility.

Guidelines

To enable the CSPC to hear a wide range of views and concerns within the limited time available, we encourage people interested in speaking at Committee to:

1. Register to speak by calling Secretariat on 9265 9310 or emailing secretariat@cityofsydney.nsw.gov.au before 12.00 noon on the day of the meeting.
2. Check the recommendation in the CSPC report before speaking, as it may address your concerns so that you just need to indicate your support for the recommendation.
3. Note that there is a three minute time limit for each speaker (with a warning bell at two minutes) and prepare your presentation to cover your major points within that time.
4. Avoid repeating what previous speakers have said and focus on issues and information that the Committee may not already know.
5. If there is a large number of people interested in the same item as you, try to nominate three representatives to speak on your behalf and to indicate how many people they are representing.

CSPC reports are available at www.cityofsydney.nsw.gov.au with printed copies available at Sydney Town Hall immediately prior to the meeting. City staff are also available prior to the meeting to assist.
