## **Structure and Operation of the Local Pedestrian Cycling and Traffic Calming Committee**

- 1. The views expressed in this document are those of the Committee members, not necessarily the views of the City of Sydney Council.**
- 2. The Local Pedestrian Cycling and Traffic Calming Committee is not a committee of the City of Sydney Council, but a Committee of the Transport for NSW.**
3. Council has been delegated certain powers from the Transport for NSW with regards to traffic matters on local roads. A condition of this delegation is that Council must take into account the advice of the Local Pedestrian Cycling and Traffic Calming Committee.
- 4. The Local Pedestrian Cycling and Traffic Calming Committee has no decision- making powers. It is primarily a technical review body which is required to advise Council on traffic related matters.**
5. All proposals recommended by the Local Pedestrian Cycling and Traffic Calming Committee must still be formally approved by either the elected Council or authorised Council staff (depending on the nature of the proposal). This can only be done when the advice of the Committee is unanimous. Where the advice of the Committee is not unanimous, Council must separately notify and obtain endorsement from the Transport for NSW and the NSW Police.
6. There are four formal members of the Local Pedestrian Cycling and Traffic Calming Committee each with a single vote: the City of Sydney, Transport for NSW, the NSW Police and the local State Members of Parliament or their nominee (who can only vote on issues in their electorate). There are also informal (non-voting) advisors who may attend.
7. Members of the public are welcome to attend and speak to an item on the Local Pedestrian Cycling and Traffic Calming Committee agenda. Addresses to the Committee are limited to 3 minutes, but this can be extended at the discretion of the Chairperson. If a member of the public wishes to attend, it is requested that they inform the Committee Secretary in advance on 9265 9648.
8. The Local Pedestrian Cycling and Traffic Calming Committee meet every third Thursday of the month at 10am in the Council Chamber, Level 1, Town Hall, 483 George Street, Sydney.
9. Local Pedestrian Cycling and Traffic Calming Committee agendas, reports and minutes are available on the City's Website:
