Disclaimer, Terms and Guidelines for Speakers at Council Committees

As part of our democratic process, the City invites members of the community to speak directly to Councillors during Committee meetings about items on the agenda.

Webcast

In accordance with the *City of Sydney Code of Meeting Practice*, Committee meetings are recorded and webcast live on the City of Sydney website at www.cityofsydney.nsw.gov.au.

Members of the public attending a council or committee meeting may have their image, voice and personal information (including name and address) recorded, publicly broadcast and archived for up to 12 months.

Consent

By attending a council or committee meeting, members of the public consent to this use of their image, voice and personal information.

Disclaimer

Statements made by individuals at a council or committee meeting, and which may be contained in a live stream or recording of the meeting are those of the individuals making them, and not of the City. To be clear, unless set out in a resolution of council, the City does not endorse or support such statements.

The City does not accept any liability for statements made or actions taken by individuals during a Council or Committee meeting that may be contrary to law, including discriminatory, defamatory or offensive comments. Such statements or actions are not protected by privilege and may be the subject of legal proceedings and potential liability, for which the City takes no responsibility.

Guidelines

To enable the Committee to hear a wide range of views and concerns within the limited time available, we encourage people interested in speaking at Committee to:

1. Register to speak by calling Secretariat on 9265 9702 or emailing secretariat@cityofsydney.nsw.gov.au before 10.00am on the day of the meeting.
2. Check the recommendation in the Committee report before speaking, as it may address your concerns so that you just need to indicate your support for the recommendation.
3. Note that there is a three minute time limit for each speaker (with a warning bell at two minutes) and prepare your presentation to cover your major points within that time.
4. Avoid repeating what previous speakers have said and focus on issues and information that the Committee may not already know.
5. If there is a large number of people interested in the same item as you, try to nominate three representatives to speak on your behalf and to indicate how many people they are representing.

Committee meetings can continue until very late, particularly when there is a long agenda and a large number of speakers. This impacts on speakers who have to wait until very late, as well as City staff and Councillors who are required to remain focused and alert until very late. At the start of each Committee meeting, the Committee Chair may reorder agenda items so that those items with speakers can be dealt with first.

Committee reports are available at www.cityofsydney.nsw.gov.au

Grants and Sponsorship – Aboriginal and Torres Strait Islander Collaboration Fund

File No: S117676

Summary

The City of Sydney's Grants and Sponsorship Program supports initiatives and projects that build the social, cultural, environmental and economic life of the city. To achieve the objectives of Sustainable Sydney 2030-2050 Continuing the Vision, genuine partnership between government, business and the community is required.

The provision of grants and sponsorships is a mechanism to further the aims identified in the City's social, cultural, economic and environmental policies. Applications are assessed against these policies and against broad City objectives and plans. In this way, the City and the community act collaboratively to achieve the goals of Sustainable Sydney 2030-2050 Continuing the Vision.

The City advertised the Aboriginal and Torres Strait Islander Collaboration Fund in the annual Grants and Sponsorship Program.

This funding program supports a strong and sustainable Aboriginal and Torres Strait Islander community-controlled sector to deliver projects that meet the needs and aspirations of Aboriginal and Torres Strait Islander people in the local area. Funding supports increased self-determination and equity for Aboriginal and Torres Strait Islander people through projects that connect people with community, Country and culture.

The Aboriginal and Torres Strait Islander Collaboration Fund is open all year for applications until the annual budget is exhausted.

Eighteen eligible applications meeting the May Committee timeframes for the Aboriginal and Torres Strait Islander Collaboration Fund were received. This report recommends 11 grants in total with eight grants to a value of \$315,391 in cash and \$7,148 in value in kind for payment in the 2022/23 financial year and three grants to a value of \$130,690 in cash and \$303 in value in kind for payment in the 2023/24 financial year.

On 22 August 2022, Council adopted a Grants and Sponsorship Policy. All grants in this report were assessed in accordance with the Grants and Sponsorship Policy, the Grants and Sponsorship Program Guidelines, the priorities set out in Sustainable Sydney 2030-2050 Continuing the Vision and various other relevant City strategies and action plans.

Grant recipients will be required to enter into a grant agreement with the City, meet specific performance outcomes and acquit their grant. All figures in this report exclude GST.

Recommendation

It is resolved that:

- (A) Council approve the cash and value in kind recommendations for the Aboriginal and Torres Strait Islander Collaboration Fund program as shown at Attachment A to the subject report, noting that cash and value in kind recommendations for 2023/24 are subject to approval of the 2023/24 budget;
- (B) Council note the applicants who were not recommended in obtaining a cash grant for the Aboriginal and Torres Strait Islander Collaboration Fund program as shown at Attachment B to the subject report;
- (C) Council note that all grant amounts are exclusive of GST;
- (D) authority be delegated to the Chief Executive Officer to negotiate, execute and administer agreements with any organisation approved for a grant or sponsorship under terms consistent with this resolution and the Grants and Sponsorship Policy; and
- (E) authority be delegated to the Chief Executive Officer to correct minor changes to the matters set out in this report, noting that the identity of the recipient will not change, and a CEO Update will be provided to Council advising of any changes made in accordance with this resolution.

Background

1. The City of Sydney's Grants and Sponsorship Program supports residents, businesses and not-for-profit organisations to undertake initiatives and projects that build the social, cultural, environmental and economic life of the City.
2. On 30 August 2022, the City announced the Aboriginal and Torres Strait Islander Collaboration Fund as being open for application on the City's website, with grant applications open all year round, until budget is exhausted.
3. Information about this grant program (such as application dates, guidelines, and eligibility criteria) was made available on the City's website. The City actively promoted the grant program when it first opened through the corporate website, e-newsletters, Facebook, Instagram, Twitter, LinkedIn, AdWords, ArtsHub, Google display ads and Koori Radio. Email campaigns were utilised to target interested parties who have applied previously for grants at the City or who have expressed an interest in the City's programs.
4. As per the Grants and Sponsorship Program Guidelines, the Aboriginal and Torres Strait Islander Collaboration Fund program is dedicated to local Aboriginal and/or Torres Strait Islander peoples, groups and organisations and is open to not-for-profit organisations, for-profit organisations, sole traders and individuals or unincorporated community groups auspiced by a not-for-profit or for-profit organisation.
5. Three eligible applications were received from for-profit organisations or sole traders through the Aboriginal and Torres Strait Islander Collaboration Fund and no for-profit organisation is recommended in this report.
6. Three eligible applications were received as oral applications for the Aboriginal and Torres Strait Islander Collaboration Fund and all three are recommended for funding in this report.

Grants assessment process

7. The City's Grants and Sponsorship Program is highly competitive. Applications that are not recommended have either not scored as highly against the assessment criteria as the recommended applications or have incomplete or insufficient information. The City's Grants and Sponsorship team provides feedback to unsuccessful applicants.
8. The assessment process includes advice and recommendations from a suitably qualified assessment panel. The applications are scored against defined assessment criteria for each grant program as well as the integrity of the proposed budget, project plan, partnerships, contributions and connection to the local community and industry sectors.
9. The assessment criteria for the Aboriginal and Torres Strait Islander Collaboration Fund are:
 - evidence of the need for the project and proposed outcomes and relevance to Aboriginal and Torres Strait Islander communities;
 - capacity and experience of the applicant to deliver the project;
 - demonstrated connection to and benefit for local Aboriginal and Torres Strait Islander communities; and

- how the project will deliver against the funding priorities.
10. The assessment meeting for the Aboriginal and Torres Strait Islander Collaboration Fund was held on 17 April 2023. The assessment panel consisted of City staff from the Indigenous Leadership and Engagement Team, City Spaces, People and Culture, Venue Management, Education and Care Services, Cultural Programs and Services, Cultural Space and Sector Development, and City Business and Safety Teams.
 11. Once recommended applications are approved by Council, the City will prepare grant agreements to be entered into with the successful applicants, which will include conditions that must be adhered to and acquitted against.
 12. It is expected that all successful applicants will work cooperatively with relevant City staff throughout the project for which they have received funding.
 13. All grants and sponsorships are recommended on the condition that any required approvals, permits and development consents are obtained by the applicant.
