**Decision**

The Committee carried the recommendation unanimously.

**Background**

To facilitate renovation works within the Traffic Management Centre (TMC) building, the Urban Growth NSW Development Corporation, who controls the Australian Technology Park (ATP) site, temporarily relocated Police Parking from the southern side of Central Avenue, Eveleigh to northern side of Central Avenue, west of Garden Street. Central Avenue, Eveleigh is a privately controlled road in the Australian Technology Park.

Following the completion of the renovation works, the TMC is now proposing to return the police parking to the southern side of Central Avenue, west of Garden Street and introduce a section of “P5 Minutes” along the site’s frontage to service their pick-up and drop-off needs.

**Item 3      Item for Committee Information - Temporary Road Closures - King and Phillip Streets, Sydney**

- (D) Works for major transport projects, such as the CBD and South-East Light Rail (CSELR) project and the Sydney City Centre Access Strategy, are currently being undertaken in the City's Local Government Area and have priority access and use rights over City owned or controlled land including roads and footpaths. The City may at any time, and with at least one business days' notice to the Applicant, revoke, suspend or restrict the Works Zone:
  - if the Works Zone is required for a major transport project; or
  - is impracticable due to changes arising from a major transport project, such as traffic diversions; or
  - is otherwise unsuitable due to a major transport project.

The Applicant must make their own enquiries, on a regular basis, about the potential impact of major transport projects on the Works Zone and the construction program for its development site.

- (E) The Applicant must notify adjacent properties of the Works Zone at least 14 days prior to installation.
- (F) The Applicant must provide a telephone number of the Site Manager.
