24 September 2025

Dear Monica,

**STOCKLAND PICCADILLY CENTRE: 133-145 Castlereagh Street, Sydney, Lot 10 DP828419
REQUEST FOR PLANNING PROPOSAL
STATEMENT OF INTENT – PUBLIC BENEFITS**

Stockland Development Pty Limited (the applicant) seeks to initiate the preparation of a Planning Proposal, specifically a Local Environmental Plan amendment, for the land known as ‘*Stockland Piccadilly Centre*’ located at 133-145 Castlereagh Street, Sydney also known as Lot 10 in DP828419 (**Piccadilly Site**).

The Piccadilly Site is a significant land parcel in the ‘Midtown precinct’ of Central Sydney. With frontage to both Pitt and Castlereagh Streets, the site provides the opportunity to positively contribute to Central Sydney both in terms of enhanced public domain outcomes as well as advancing Council’s Central Sydney Planning Strategy by expanding employment floor space capacity to align with Sydney’s global city status.

The Request for Planning Proposal seeks to amend:

- the current floor space ratio (FSR) development standard under the *Sydney Local Environmental Plan 2012* (the LEP); and
- the Sydney Development Control Plan 2012 (the DCP) to establish site specific provisions to facilitate optionality for a commercial or mixed-use redevelopment of the Piccadilly Site.

The proposed development is projected to be a circa \$943-974 million capital investment into Central Sydney.

Stockland is committed to delivering a leading development in terms of architectural design, sustainability and a greatly enhanced urban experience for the community in terms of street activation, through-site access, and the pedestrian experience.

As part of the delivery of the project, Stockland proposes to provide specific tangible public benefits that will be committed to as part of a Voluntary Planning Agreement with the Council. The public benefits are noted **Appendix A** attached and are proposed to be delivered as works in kind, monetary contributions and other project specific initiatives. This public benefit offer has been developed following engagement with The City of Sydney prior to submission of the Request for Planning Proposal.

Should you require additional information, or should you like to discuss further, please do not hesitate to contact the undersigned.

Yours sincerely,
