## Advice

Advice will be updated after the meeting.

## Background

Borger Traffic has applied for the temporary road closure of Hughes Street, Potts Point, between McLeay Street and Tusculum Street (two lanes), from 6am to 8pm on Thursday 30 April 2026.

## Comments

The proposed temporary road closure is required to allow a mobile crane to be used to install a tower crane on the frontage of 95 Macleay Street Potts Point.

The Applicant has provided a site-specific Traffic Guidance Scheme that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Transport for NSW (TFNSW).

## Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

## Financial
