- Sportsground

Categorisation:

Proposed Recategorisation : Currently categorised as sportsground and park. The footprint of the sports field and the courts should be categorised as sportsground. These areas fit the characteristics of a sportsground. The toilet block and kiosk are used by the general public, not just park users. These areas should be categorised as general community use. The residual green space fits the characteristics of a park. This area should be categorised as park.
